

THE ISLAMIC WRITING ON THE WALL

Muslim Brotherhood agenda for the U.S., and the West.

Islamists Success in EU.

Very few individuals have been sounding the alarm of the Islamic invasion on the west and the U.S. This agenda has been in the works since late sixties. Yet, only within the last ten years the west is starting to open one eye, most went back to sleep. Much of western governments have submitted to the demands of Shari'ah law and the Islamic agenda of the Muslim brotherhood. Including the U.S. government.

The video link shown above the results of a weak and open immigration policy, weak and almost non-existent Christian presence due to Belgian/European move towards secularism, and the decline of

childbirth among native Europeans. America better wake up and smell the burned coffee. They must ignore the culture's call for not having more children and stop the murder of the unborn. Americans are killing their

own way of life. Muslims will out birth Americans and convert this nation to Americastan.

Islamic Expansion Motivation

Liberal media and U.S. Administration would try to sell the American people the lie that the Boston bombing was an isolated act led by two brothers who have hijacked their peaceful religion. This policy is a detriment to our nation's constitution, liberties, and way of life.

One must look at Islam's source and authority that is the Qur'an. Take time to understand its language:

Qur'an 9:29

"Fight those who do not profess the true faith (Islam) till they pay the jizya (poll tax) with the hand of humility..."

Meaning Muslims are to fight non-Muslims and humiliate them; who also must pay a retribution tax for their existence.

Qur'an 9:5

"Then, when the sacred months have passed, slay the idolaters wherever ye find them, and take them (captive), and besiege them and prepare for them each ambush. But if they repent and establish worship and pay the poor-due, then leave their way free. Lo! Allah is Forgiving, Merciful."

Meaning kill the idolaters (non-Muslims) in any brutal way possible until they submit to Allah.

Qur'an / Repentance 9:73

Prophet, make war on the unbelievers and the hypocrites and deal rigorously with them. Hell shall be their Home: an evil fate.

This is a convenient divine justification, since “Allah” himself says that people of other religions belong in Hell, therefore, barbaric acts against the unbelievers is justified.

Qur’an 4:89

"If they do not accept Islam, seize them and kill them wherever you find them. Take no friends or helpers from their ranks."

Quran 8:12-14

"I (Allah) will instill terror into the hearts of the infidels. Chop off their heads and cut off all their fingers because they did not believe in Allah and his apostle (Mohammed). If anyone does not believe in Allah and his apostle, Allah has the torment of the fire for them."

Jihadists will fight the infidels to death:

- ★ Meanwhile American laws will protect Muslims.
- ★ Progressives and Leftist will support Muslims.
- ★ N.G.O.s will legitimize Muslims.
- ★ Counsel on Islamic Relations will incubate Muslims.
- ★ The A.C.L.U. will empower Muslims.
- ★ Western Universities will educate Muslims.
- ★ Mosques will shelter Muslims.
- ★ Organization of the Petroleum Exporting Countries will finance Muslims.
- ★ Hollywood will love Muslims.

The Brotherhood writing on the wall

Since 9/11 the American government has been intentionally in denial to the fact that Islam is the greatest threat to America. Our government’s policy has been and still is a policy of appeasement and political correctness. It has been courting a number of Islamic organizations and they all have one thing in common: They are all members of the Muslim Brotherhood (MB).

Most Americans have a vague understanding of the scope of the threat MB poses on our nation and its people. Here are some facts:

MB Creed: “Allah is our goal; the Messenger is our guide: the Koran is our law; Jihad is our way; and martyrdom in the way of Allah our inspiration.”

Muslim Foundations that exist in America:

- ★ Muslim World League – Saudi Arabia
- ★ Muslim Students Association - 1962
- ★ Islamic Medical Association – 1967

- ★ Association of Muslim Scientists & Engineers (AMSE– 1969)
- ★ Association of Muslim Social Scientists. (AMSS – 1972)
- ★ Muslim Arab Youth Association (MAYA)
- ★ Muslim Youth of N. America (MYNA)
- ★ N. American Islamic Trust (NAIT - 1973)

The call of the Muslim Brotherhood was based on two key pillars:

1. The introduction of the Islamic Shari`ah as the basis controlling the affairs of state and society.
2. Work to achieve unification among the Islamic countries and states, mainly among the Arab states, and liberating them from foreign imperialism.

Hassan Al-Banna
Founder of MB

www.ikhwanweb.com

Hassan Al-Banna has this vision for the world:

1. **“It is the nature of Islam to dominate, not to be dominated, to impose its law on all nations and to extend its power to the entire planet.”**

2. **“Jihad is an obligation from Allah Almighty on every Muslim and cannot be ignored nor evaded.”**

The idea of building bridges with the Islamic world and these organization is very naive and dangerous.

Here is what Seyyid Qutb the father of modern day Jihad said about outreach: **“The chasm between Islam and Jahiliyyah (non-Muslims) is great, and a bridge is not to be built across it so that the people on the two sides may mix with each other, but only so that the people of Jahiliyyah (non-Muslims) may come over to Islam. If not, then we shall say to them what God commanded His Messenger – peace be on him – to say: “For you your way, for me mine.” (Qur’an 109:6)”**

The current spiritual leader of the MB Sheikh Yusuf Qaradhawi said:“

Qaradhawi

All of the Americans in Iraq are combatants, there is no difference between civilians and soldiers, and one should fight them, since the American civilians came to Iraq in order to serve the occupation. The abduction and killing of Americans in Iraq is an obligation so as to cause them to leave Iraq immediately. 2004”

Jihad at a new level

Jihadists in the west are taking their barbaric cause into the streets of western cities such as London with the killing of a British soldier. It is happening in America as well. In Feb 2013 a Muslim man beheads two Christians in NJ, the mainstream media and our government are silent. Ticking Time Bomb, FOCUS, 9 Nov 2009, Ft Hood, San Antonio, TX, Maj. Nidal Malik Hasan, U.S.A. committed Islamic Jihad killing 13, wounding 32 while shouted Praise Allah while standing on a table at a breakfast gathering.

Common Core

The Common Core academic level is lower than what many states use now, and the math standards are so inferior that the only real mathematician on the validation committee refused to sign off on the math standards.

Parents will have a hard time helping their children with their math homework. CC standards call for teaching kids to add columns of

Common Core means government agencies will gather and store all sorts of private information on every schoolchild into a longitudinal database from birth through all levels of schooling, plus giving government the right to share and exchange this nosy information with other government and private agencies, thus negating the federal law that now prohibits that. This type of surveillance and control of individuals is the mark of a totalitarian government.” *Phyllis Schlafly*. www.eagleforum.org

American Exceptionalism is no longer taught, but evil American Imperialism is. Rather than teaching our kids to be thrifty, hardworking and self-reliant,

they are taught government dependency. CC promotes Islam as a religion of peace and that Allah and the Almighty God are the same. Our children have been indoctrinated to accept Islam and reject Christianity.

Look who's new in the white house!

It is very clear that the American government from both sides of the isle has been and remains a pro-Islamic agenda since 2009, this policy has been advanced at the speed of light. Any American freedom-loving citizen would like to have his government be his/her protector from any enemy

whether domestic or foreign. Unfortunately, this is not the case with the current administration. Here are some of the Muslim Brotherhood agents who have been appointed to a high-level government posts that would undermine

American freedoms and national security:

- ★ Arif Alikhan - Assistant Secretary for Policy Development for the U.S. Department of Homeland Security
- ★ Mohammed Elibiary - Homeland Security Adviser
- ★ Rashad Hussain - Special Envoy to the Organization of the Islamic Conference (OIC)
- ★ Salam al-Marayati - Obama Adviser – founder Muslim Public Affairs Council and its current executive director
- ★ Imam Mohamed Magid - Obama's Sharia Czar – Islamic Society of North America
- ★ Eboo Patel - Advisory Council on Faith-Based Neighborhood Partnerships

America is slipping away from our hands with our permission due to our lack of involvement in the political, economic, social, and moral arenas. American citizens can stop this if they are active in protecting the freedoms our forefathers and thousands of Americans fought for. It is our generation to preserve what many died for us to enjoy.

USA today said that in 20 years the Muslim population in the U.S. would double. WAKE UP AMERICA.
